

Gar Wood Production Verification Certificate Request Form

Antique Boat Museum
Lou Smith Library and Marion Clayton Link Archives
750 Mary Street
Clayton, New York 13624
Phone: 315.686.4104
Fax: 315.686.2775

Date: _____

Received by: _____

Services and Fees:

Obtained from the original Gar Wood shipping ledger, Gar Wood Production Verification Certificates provide you with: hull number, model designation, model year, factory location, factory installed engine, engine serial number, original purchaser, shipping destination, date shipped, special features, total number of boats in series and production position in series. This is printed in color on heavyweight paper and embossed with the Gar Wood Society seal.

To submit a request complete this form and either fax, mail, or email it to the Antique Boat Museum at the address above.

Please note: your request may take several weeks to complete. If receipt of your request has not been acknowledged after 4 weeks, please contact the Museum or resubmit your request.

Fee Schedule:

\$50 including shipping and handling

Payment by check or credit card must be received before the certificate will be shipped. Proceeds received help defray the costs associated with maintaining the Museum's archival and library collections.

Checks be made payable to **Antique Boat Museum**. Memo: Library and Archives.

Payment by credit card is accepted by phone only, for your security.
