**JOIN US ON THE BEAUTIFUL ST. LAWRENCE RIVER** in the historic Thousand Islands for a celebration of small boats past and present.

For **ONE DAY** the Antique Boat Museum's riverfront campus will be filled with small craft afloat & ashore.

The Festival is all about getting on the water; *here you can try the boats you admire!*

The ABM's own fleet of small craft will be available for demonstration and use. Children can build and launch their own cardboard creation thanks to Reinman's Department Store for providing materials.

*Official Festival of Oar, Paddle & Sail posters are available in the Museum Store. Printing generously donated by Canfield & Tack.*

Driftwood BBQ will be on site with their smoked pulled pork, specialty burgers, sausage and hot dogs!
