- An enormous collection of boats - more than 100 on display every day
- Speedboat rides
- Tours of our one-of-a-kind houseboat
- Boatbuilding classes
- Book your own special event
- ABM Museum Store
- Group tours
- USCG Captain's Courses
- Sailing lessons

On water activities are weather dependant

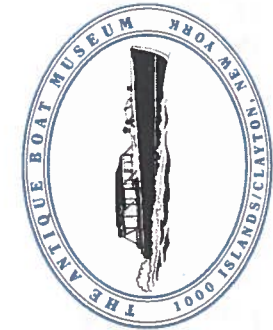

Open May - October

315.686.4104

Visit abm.org

• **Elizabeth and Bolling Haxall Building**

Your first stop is right here in the lobby. Get an introduction to the Museum and view rotating exhibits. Our theatre is located down the hall past the store and offers short films.

• **Morgan Building**

Do you feel the “need for speed?” Some of the world’s finest raceboats are on display in the exhibition “Quest for Speed, The Story of Powerboat Racing.” Learn about the fast-paced world of racing history and marvel at the fascinating boats.

• **Cleveland E. Dodge Memorial Launch Building**

Immerse yourself in “The National Motor Boat Show” which includes launches, runabouts, and more. Go aboard and explore the interiors of two cruisers.

• **McNally Yacht House**

View the Museum’s in-water fleet. You may see the Museum’s ride boats, small sailboats, or even a new acquisition. This display changes throughout the season.

• **E.J. Noble Historic Stone Building**

Watch and talk to volunteers and staff as they restore and build boats. This live demonstration highlights the craft and details involved in boatbuilding.

• **Small Craft Building**

Tour the Museum’s collection of small craft. Pick out your version of the perfect canoe in the Pauline Morgan Dodge Gallery, learn about the St. Lawrence Skiff in the Fred Thomas Gallery, and find out about how boats move in our “Oar Else” exhibit in the Miller S. & Adelaide S. Gaffney Gallery.

• **La Duchesse**

Explore life aboard the elegant 106’ houseboat, *La Duchesse*, commissioned in 1903. Stand on the deck, peek in cabins and learn about summer life on the River during the Gilded Age. By guided tour only. Due to her historic nature, *La Duchesse* is not wheelchair-accessible or available for group tours.

Amenities

Restrooms and drinking fountains are located in the Haxall Building and can be accessed from outside. In case of emergency, an AED device is mounted on the inside wall next to the restrooms and elevator.
