

# PLEASE SUPPORT THE YOUTH ARCHITECTURE & DESIGN CAMP AT ABM!

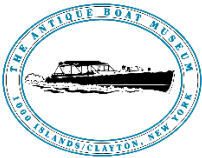

The Antique Boat Museum is once again hosting the School Zone Institute's Youth Architecture & Design Camp. This year's theme is castles, from the Gilded Age mansions that dot the 1000 Islands to medieval strongholds. Students will learn the organizing principles of architectural design, take a field trip to Singer Castle on Dark Island and design and build their own model castles.

This program is the ideal introductory course for young, future engineers and architects and we need your help to fund their learning experiences. While we prioritize reusing items from prior classes and seek material donations from retailers, the supplies needed for this class are costly. Your support makes it possible for us to guide our students not only through their project but on to promising careers in architecture, design and engineering. Suggested donation amounts range from \$100-\$500 but no amount is too big or too small to make a difference. To donate, please make checks payable to the Antique Boat Museum Education Department and mail in along with the bottom portion of this form to:

750 Mary St. Clayton, NY 13624

For more information, contact Anne Taylor at 505.350.8035 or [aetaylor@unm.edu](mailto:aetaylor@unm.edu).

## THANK YOU FOR YOUR GENEROSITY!
