

## Marketplace at the Antique Boat Show 2021 Vendor Guidelines and Regulations

1. **State and federal guidelines for events are reviewed monthly. All aspects of the Boat Show are being planned, assessed regularly, and changed as needed to ensure compliance with these guidelines. Receptions and concessions will be subject to any COVID restrictions in place and may not be held.**
2. If you registered for the 57<sup>th</sup> Annual Boat Show before COVID-19 changed everything, we will be in touch directly with you regarding the status of your registration based on which of ABM's COVID cancellation options you chose.
3. **For 2021 Marketplace has been relocated to the gravel lot normally used for the Auction to allow for the capacity control required by COVID guidelines for events.** As space is limited this year, applications will be accepted on a first come, first serve basis. ABM reserves the right to use discretion in who is accepted to ensure a good balance in vendor types and overall Marketplace experience. **Food trucks will be located on Mary Street or in the green space between the Mary Street Shop and the Morgan Building.**
4. **Payment will not be processed until we have notified you that your application has been accepted.** Please submit your application by June 1<sup>st</sup> for consideration. Vendors will be notified of their status by June 18<sup>th</sup>. Applications submitted after June 1<sup>st</sup> will be considered if space is available.
5. **All Marketplace spaces are 10'x10'.** Please reserve the number of spaces needed for your unique set up. **There is a maximum of 2 booth spaces per vendor this year. We will consider requests for more booths on a case by case basis.** The decision to cap the number of booths a vendor can reserve was made after careful consideration in order to make Marketplace as varied as possible within the limitations of the NYS Event Guidelines. Your set-up **must** stay within the established booth boundaries of your location. **We may place an empty booth space between you and the next Marketplace vendor to help in maintaining appropriate social distancing.**
6. All in-person vendors will be included in the **Digital Program**. If you can't join us in-person, we hope you'll join us via the Digital Program. Please submit at least one good quality image of your product and/or your logo to be used in the Digital Program.
7. **Only trailers that are an integral part of your display are allowed in Marketplace.** In this case, your booth site must be large enough to accommodate your set-up including the trailer. All aisles **must** remain clear of items at all times.
8. Overnight stays are prohibited on campus unless your booth/display includes appropriate indoor accommodations. This includes tent and car camping in the gravel lot. Please visit the Clayton Chamber of Commerce at <http://www.1000islands-clayton.com/> or call them at 1-800-252-9806 for area lodging information.
9. **All vendors are encouraged to set up a tent in their booth.** A tent will help improve the overall appearance of Marketplace and will also provide much needed shade for you and your staff during the event. If you do not have a tent(s), Party Rentals out of Watertown, NY (315.788.5097, <http://www.partyrentalsplus.com/>) may have tents available. In the event of windy weather conditions, please make sure you weigh down your tent and lower the canopy to prevent damage. **The Museum is not responsible for damage caused by weather.**
10. **Vendors are expected to be operational all day Friday and Saturday. New for 2021, vendors have the option of operating on Thursday, August 5<sup>th</sup>, at no additional charge and while encouraged, vendors need not stay for Sunday, August 8<sup>th</sup>.** Marketplace hours run from 9am to 5pm Thursday-Saturday, August 5-7<sup>th</sup>, and from 9am to 1pm on Sunday, August 8<sup>th</sup>. If you are not present and operational full business hours on Friday and Saturday 2021, you are welcome to return to the show in 2022 as space is

available but we will not entertain your request for a specific location within Marketplace for 2022. The earliest you may take down your booth and depart is 5:30pm on Saturday and 1:30 on Sunday.

11. **Set-up for Marketplace will begin on Wednesday, August 4<sup>th</sup> at 12:00pm.** After checking in at the registration tent, you will be directed to your assigned booth space. Once there, unload your goods and remove your vehicle from Marketplace before setting up. The registration tent will be open from Wednesday, August 4<sup>th</sup> from 12:00pm to 5:00pm and Thursday, August 5<sup>th</sup> from 8:30am to 5:00pm to pick up your Marketplace registration packet. Under no circumstances will we allow set-up prior to Wednesday, August 4<sup>th</sup>, 2021. This is required for routine maintenance and for marking off the Marketplace field.
12. **Vendors may use the gravel lot behind Mary Street Boat Shop for offloading and loading their product only. If you are interested in participating in our new parking lottery, please indicate it on your application. If you are not selected for a space, you will need to find your own parking space. You'll find parking locations in your registration packet on arrival.**
13. **The Museum recognizes Marketplace as a pedestrian area. No motorized vehicles are allowed on the Marketplace field or Mary Street between 8:30am and 5:30pm Thursday, Friday and Saturday. On Sunday, motorized vehicles are not allowed between 8:30am and 1:00pm.** There will be no exceptions to this rule. This is for both your safety and the safety of our visitors. Vendors who violate this will not be invited to return to Marketplace in the future.

To assist vendors needing to replenish their supplies or to help customers who wish to pick up larger items during regular show hours, the Marketplace Coordinator will have access to a golf cart. The golf cart may be used to transport materials to and from the perimeter of Marketplace and Mary Street. Only the Marketplace Coordinator and other ABM employees are authorized to use the golf cart.
14. **Antique Boat Museum Vendor Badges must be worn throughout the event.** The badge will allow you and your staff admission to the Museum campus and event related activities. You will also need to have your badge on your person in the event that you need to access your booth after hours due to weather. Your badges are located in your registration packet.
15. **Takedown can begin as early as 5:30pm on Saturday, August 7<sup>th</sup> and 1:00pm Sunday, August 8<sup>th</sup>.** We ask that all Marketplace vendors clear the Marketplace field and Mary Street before sunset on Sunday, August 8, 2021.
16. **Clean, neat and appropriate attire is required at all times by vendors.** *Shirts are required at all times.*
17. **No inappropriate or political signage, offensive language or projected music/sound is allowed in Marketplace at any time.**
18. **Vendors are urged to be proactive in regards to securing their goods when they are not present.** We recommend having side drops on tents or tarps and rope to cover goods. The Antique Boat Museum will provide overnight security on the grounds beginning Thursday, August 5<sup>th</sup> through Saturday, August 7<sup>th</sup>. Vendors are fully responsible for their goods. The Antique Boat Museum is not responsible for missing or damaged items. If you have a security breach or witness a security issue within Marketplace, please notify Security or the Marketplace Coordinator immediately.
19. **Dogs are allowed in Marketplace as long as they are leashed and under control.** Dogs are not allowed in the museum or interior grounds of the campus. Owners are responsible for cleaning up after their dogs.
20. **The Antique Boat Museum is a smoke-free campus.** No smoking allowed anywhere on the campus grounds, within campus buildings or on ABM's docks. Smokers will be directed to a designated area behind the Mary Street Boat Shop.
21. **Trash cans and recycling receptacles are distributed throughout Marketplace for your use and for the use of our visitors.** Please leave them in their designated locations. Please feel free to bring your own receptacles for your personal use in your booth.
22. **Please be respectful of our neighbors.** Please remember that private residences border the Marketplace field. The private driveway adjacent to the Marketplace field and the Morgan Building must be kept clear at

all times. Do not prop or hang your merchandise on our neighbor's fences either. Please help the Antique Boat Museum treat our neighbors with respect and courtesy.

23. **A copy of your NYS Certificate of Authority or Temporary Certificate of Authority is required to participate in Marketplace.** Any vendor, including Tax Exempt/Not for Profit Organizations, who intends to sell items in Marketplace is required to have a **NYS Certificate of Authority or Temporary Certificate of Authority.** This applies to out of state vendors and vendors from Canada. To apply or learn more about the NYS Certificate of Authority, visit [https://www.businessexpress.ny.gov/app/answers/cms/a\\_id/2058/kw/certificate%20of%20authority](https://www.businessexpress.ny.gov/app/answers/cms/a_id/2058/kw/certificate%20of%20authority).
